## Statement of intent

Educational achievement and subsequent life chances for LAC and PLAC are of real concern. Pupils who are looked after often require additional support and attention in order to improve their situation.

Pathways School endeavours to provide positive experiences and offer stability, safety, and individual care and attention for all our pupils. With this in mind, we aim to:

- Encourage pupils to reach their potential and to make good progress in relation to their professional, social and emotional development.
- Ensure that pupils enjoy high quality teaching and a curriculum which meets their needs and the requirements of legislation.
- Plan support for LAC realistically and use the school's resources efficiently to ensure the school meets their needs.
- Promote a positive culture in all aspects of school life.
- Help pupils develop their cultural, moral and social understanding.

As a special school for students with more complex learning disabilities, this policy serves as a model to guide best practice. Therefore, some parts of this policy are not relevant to our context. Nevertheless, we are mindful of our duties to provide the best possible opportunities to our students and provide support to staff to carry these out and vigilant in ensuring that, where possible, we adhere to this policy.

#### **4. Personal education plan (PEP)**

The school is aware that all LAC must have a care plan, and that PEPs are an integral part of this care plan.

The school understands that the PEP is intended to serve as an evolving record of what needs to happen for a pupil to enable them to make the expected progress and fulfil their potential.

The school is aware that, wherever a pupil is placed, it is the responsibility of their social worker, supported by the authority's VSH, to initiate a PEP and arrange to meet with the school and the pupil's carer.

The school will ensure that children's PEPs reflect the importance of a personalised approach to learning which meets the identified educational needs of the pupil and will be reviewed termly.

The DT will liaise with the VSH and social workers to share information and act as the in-school lead on how the PEP is developed and used to make sure the pupil's progress towards education targets is monitored.

The school, in collaboration with the pupil, carer, and other professionals will collaborate to ensure completion of the PEP and that PEP is used as a working document intended to support the pupil's educational needs, raise their aspirations and improve their life chances.

The school will work with the VSH, social worker and other relevant agencies to monitor any arrangements in place so that actions and activities recorded in the pupil's PEP are implemented without delay.

The school is aware that PP+ for PLAC will be allocated directly to, and managed by, the school, and will work with the VSH to manage allocation of PP+ for the benefit of the cohort of LAC, or PLAC, and according to their needs. If deemed necessary, the school will allocate an amount of funding to an individual to support their needs.

The DT will communicate with the VSH and agree on how PP+ can be used effectively to accommodate the pupil's educational attainment and progress.

##### **PEP content**

The PEP will address the pupil's full range of education and development needs, including:

- On-going catch-up support, which will be made available for children who have fallen behind with work.
- The provision of suitable education provided by the LA, where the pupil is not in school because of suspension or exclusion.
- Transitional support where needed, such as if a pupil is moving to a new school.

- School attendance and behaviour support, where appropriate.
- Support needed to help the pupil meet their aspirations, which may include:
  - Support to achieve expected levels of progress for the relevant national key stage and to complete an appropriate range of approved qualifications.
  - Careers advice, guidance and financial information about FE, training and employment, that focusses on the pupil's strengths, capabilities and the outcomes they want to achieve.
  - Out-of-school hours learning activities, study support and leisure interests.

The VSH and the DT will ensure that information is included within a LAC's PEP surrounding how they are benefitting from any use of PP+ funding to improve their attainment. Any interventions supported by PP+ will be evidence-based and in the best interests of the pupil.

## **5. Working with agencies and the VSH**

The school is aware that strong multi-agency and multi-disciplinary working is vital to identifying and responding to the needs of LAC and PLAC.

The school will work proactively and collaboratively with other professionals in other agencies and organisations in line with the framework of expectations outlined in the government's [Working Together to Safeguard Children](#) statutory guidance document by:

- Collaborating with services to achieve shared goals and share information.
- Learning from evidence and sharing perspective to evaluate provision.
- Prioritising and sharing resources depending on pupils' needs.
- Celebrating inclusivity and diversity and challenging discrimination.
- Mutually and constructively challenging others' assumptions in a respectful manner.

### **Information Sharing**

The school recognises the importance of proactive information sharing between professionals and local agencies in order to effectively meet pupils' needs.

Staff will be made aware that whilst the UK GDPR and the Data Protection Act 2018 place a duty on schools to process personal information fairly and lawfully, they also allow for information to be stored and shared for safeguarding purposes, as data protection regulations do not act as a barrier to sharing information where failure to do so would result in the pupil being placed at risk of harm.

If staff members are in doubt about sharing information and data protection legislation, they will be encouraged to speak to the DSL.

Appropriate and specific arrangements for sharing reliable data will be put in place to ensure that the education needs of LAC and PLAC are understood and met. The arrangements set out will include:

- Who has access to information on LAC and PLAC and how data will remain secure.
- How pupils and parents are informed of, and allowed to challenge, information that is kept about them.
- How carers contribute to and receive information.

- Mechanisms for sharing information between the school and relevant LA departments.
- How relevant information about individual pupils is passed between authorities, departments and the school when pupils move.

School staff will be proactive in sharing information as early as possible to help identify, assess, and respond to risks or concerns about the safety and welfare of pupils. This will include sharing information about any adults with whom a pupil has contact, which may impact the pupil's safety or welfare, where necessary.

The school will aim to be as transparent as possible by telling families what information they are sharing and with whom, provided that it is safe to do so.

The school will ensure that copies of all relevant reports are forwarded to the social workers of LAC, in addition to carers or residential social workers.

The DT will ensure consistent and strong communication with the VSH regarding LAC who are absent without authorisation.

The school will share their expertise on what works in supporting the education of LAC and PLAC.

The school will coordinate review meetings; for example, [hold their annual review of LAC with their statutory care review](#).

## **6. Training**

The DT and other school staff involved in the education of LAC and PLAC will receive the appropriate training, including information about the following:

- School admissions arrangements
- SEND
- Attendance
- Exclusions
- Homework
- GCSE options
- Managing and challenging behaviour
- Promoting positive educational and recreational activities
- Supporting pupils to be aspirational for their future education, training and employment
- Safeguarding
- SEMH

The governing board will ensure that staff are equipped with the skills, knowledge and understanding necessary to keep LAC and PLAC safe through training.

## **7. Safeguarding**

The school is aware that LAC and PLAC most commonly become looked after because of abuse and/or neglect and because of this, they can be at potentially greater risk in relation to safeguarding.

The school recognises that many LAC and PLAC have experienced trauma, abuse or complex family circumstances and will ensure that all staff are aware that experiences of adversity such as these can leave pupils vulnerable to further harm or exploitation.

All staff will be trained to recognise signs and indicators of safeguarding concerns and will ensure that extra vigilance is practiced in observing and identifying these indicators amongst LAC and PLAC as soon as possible.

Where a LAC or PLAC has a social worker, this will inform decisions about safeguarding, e.g. responding to absence from education where being absent from education may increase known safeguarding risks within the family or in the community.

The headteacher will implement appropriate pastoral support services in place throughout the school to ensure that the welfare of LAC and PLAC can be adequately protected to the extent that reflects their increased vulnerability.

Staff will be encouraged to report to the DSL any concerns they have over LAC or PLAC in line with the processes outlined in the Child Protection and Safeguarding Policy.

When there is reasonable cause to suspect that a LAC or PLAC is suffering or is likely to suffer significant harm, the school will collaborate in the multi-agency strategy discussion where appropriate to determine the pupil's welfare and plan rapid further action as necessary. The school's representative at any strategy discussion meetings will be sufficiently senior, skilled and experienced, and authorised to make decisions on the school's behalf. Information and analysis about the pupil and their family will be provided as required.

Staff will be regularly encouraged to look for signs of bullying and report to the designated teacher if they believe a LAC or PLAC is being bullied, as this can have a particularly negative impact on pupils who have early experiences of rejection or abandonment.

## **8. Mental health**

All staff will be made aware that mental health problems can, in some cases, be an indicator that a pupil has suffered, or is at risk of suffering, abuse, neglect or exploitation.

The school is aware that LAC and PLAC are more likely to experience the challenge of social, emotional and mental health (SEMH) issues which can impact their behaviour and education. The school will support the DT in developing their knowledge, awareness, training and skills to support children with behaviour management and mental health.

The DT will work with the VSH to ensure school staff are able to identify signs of potential mental health issues, understand the impact issues can have on LAC and PLAC, and know how to access further assessment and support, where necessary.

The school understands that the increased frequency of mental health problems amongst LAC and PLAC may present a barrier to adequately identifying when mental health problems are indicative of a safeguarding concern. For this reason, the DT will ensure that they, and all staff who maintain regular contact with LAC or PLAC are vigilant of any changes in the mental health, behaviour, social inclination or mood of these pupils.

A strengths and difficulties questionnaire will be used on a **termly** basis to help social workers and other relevant professionals to form a view about LAC and PLAC's current emotional wellbeing. Teachers will complete their element of the questionnaire to assist social workers in their assessment.

The school's senior mental health lead will work alongside the designated teacher to promote the wellbeing and mental health of LAC and PLAC, and will always either be a member of, or be supported by the senior leadership team and could be the pastoral lead, SENCO, or DSL.

The school will adhere to its SEMH Policy when responding to potential or explicit mental health issues amongst the LAC or PLAC cohort.

## **9. Suspension and exclusion**

Past experiences of LAC and PLAC will be considered when designing and implementing the school's Behaviour Policy and Suspension and Exclusion Policy.

The school recognises that suspending or excluding LAC or PLAC can make them more vulnerable to harm due to not having the protection and opportunities school provides. When responding to incidents involving LAC and PLAC the school will show full regard to the DfE's statutory guidance '[Suspension and permanent exclusion from maintained schools, academies and pupil referral units in England, including pupil movement](#)'. The headteacher will balance this recognition alongside the need to ensure calm and safe environments for all staff and pupils, devising strategies that take both into consideration.

Where the school has concerns about behaviour, the VSH will be informed at the earliest opportunity. As far as possible, the school will engage proactively with the social worker or carer to provide appropriate support for underlying issues that may be causing poor behaviour and improving this behaviour.

As part of the termly review of a pupil's PEP, any concerns about their behaviour will be recorded, alongside information on how they are being supported to improve this and reduce the likelihood of exclusion.

Suspension or permanent exclusion will only be used as a last resort. Permanent exclusion will only occur where there has been serious and/or persistent breaches of the school's Behaviour Policy, or where allowing the pupil to remain in school would seriously harm the education or welfare of others.

Where a LAC or PLAC is at risk of being suspended or permanently excluded, the school will engage with the DT and the pupil's parents, or other individuals involved in the pupil's care. The DT will contact the VSH as soon as possible to work together, and with other relevant individuals, to consider what additional assessment and support needs to be put in place to help the school address the factors affecting the pupil's behaviour and reduce the need for suspension or permanent exclusion.

The school will inform parents that they can seek the advice of the VSH on strategies to support their pupil to avoid exclusion.

Where a LAC is excluded, the school will document the provision of immediate suitable education in the pupil's PEP.

## **10. Pupils with SEND**

In cases where pupils have an EHCP, the DT will work with the VSH to ensure that their EHCP works in harmony with their care plan and PEP to tell a coherent and comprehensive story of how the pupil's needs are being met.

Support for LAC with SEND, who do not need an EHC plan, will be covered as part of the pupil's PEP and care plan reviews.

The SENCO, class teacher, DT and specialists will involve parents when considering interventions to support their pupil's progress. If appropriate, the VSH will be invited to comment on proposed SEND provision for PLAC.

The DT and the SENCO will ensure that LAC and PLAC with SEND are supported in line with the SEND Policy, with extra consideration given to the fact that some of the usual procedures for supporting pupils with SEND may lack applicability for LAC, e.g. where LAC are in residential care and, thus, will have their EHC plans taken care of by the LA rather than the general stipulation of the place where they are ordinarily resident.

## **11. Monitoring and review**

This policy will be reviewed on an annual basis by the designated teacher and the headteacher. The next scheduled review date for this policy is January 2026.

All changes to this policy will be communicated to all relevant stakeholders.
