1. Introduction

Pathways School is committed to providing an education of the highest quality for all its students and promoting regular attendance by providing an ethos and environment where students feel safe and motivated. To this end, the school will encourage parents and carers to ensure that the students in their care achieve maximum attendance and that any problems that prevent full attendance are identified and acted on promptly. We expect all school staff members to support and promote excellent school attendance by acting as role models and to work hard to provide a learning environment in which all students are eager to learn, feel valued and enjoy coming to school.

Ultimately, school attendance is the responsibility of all.

3. Aims

- To create a culture in which good attendance is accepted as the norm.
- To demonstrate that good attendance and punctuality is valued by our school.
- To ensure the safeguarding of students by establishing the whereabouts of all absent students by contacting parents if the school has not been informed of their student's absence.
- To maintain and develop effective communication regarding attendance between home and school.

4. Policy

Teaching staff have a responsibility for identifying concerns and trends in attendance, punctuality, and report this to the Headteacher.

The school considers and gives allowances for religious beliefs and individual family circumstances. Also, many of our students may travel long distances in shared or individual transport provided by transport companies. Where the reason for lateness and absence is due to traffic conditions or issues with transport company operations, we reserve the right to authorise these instances of lateness and absences

The school monitors attendance data through daily registration (a.m. & p.m.) and follows up any unexplained absences with parents/carers or emergency contacts in a timely manner.

Start of Day: 9.00am

Registration Starts: 9.05am

Registration Ends: 9.15am

Afternoon Registration: 1.00pm

End of Day: 3.00pm

Parents/Carers are asked to contact the school office to report any planned or unplanned absence or lateness as soon as possible, preferably on the day before or at least by 7.30am on the day.

The school office contact details are:

Telephone: 0208 054 4540

Email: office@pbslpathways.org.uk

We work closely with parents/carers to address any concerns for attendance and /or punctuality. We exercise our legal duty to inform the relevant local authority when a student fails to attend school regularly or has been absent without the school's permission for a continuous period of 10 school days or more.

The school holds up to date contact details for parents/carers to assist in following up absences. When parents/carers are not available to contact, the school will phone the emergency contact named by the parent/carer. It is the parents'/carers' responsibility to inform the school of any changes to their own or the named emergency contact details.

6. Categories of Absence

Absences will be treated as unauthorised unless a satisfactory explanation for the student's absence is given to the school. Parents cannot authorise absences. Where staff have concerns regarding absences, they should report this to the Headteacher.

The code for the reason for authorised or unauthorised absence using the key below.

B Educated off site (not Dual registration)

C Other Authorised Circumstances (not covered by another appropriate code/description)

D Dual registration (i.e., pupil attending another establishment)

G Family holiday (not agreed)

I Illness (not medical or dental etc appointments)

L Late (before registers close - morning session at 10.00 and afternoon session at 13.30)

M Medical/dental appointments

O Unauthorised absence

R Religious observance

U Late (after registers closed) after 10.00 or after 13.30

V Educational visit or trip

X Untimetabled sessions for non-compulsory school-age pupils

Y Enforced closure

7. Illness

Most cases of absence due to illness are short term. Absences of 5 or more consecutive days must be supported by evidence

Examples of evidence:

- medical appointment card confirming attendance
- medical appointment letter
- copy of prescription showing name and date
- prescribed medication with pharmacist label showing name and date
- hospital discharge letter

8. Medical or dental appointments

Students are permitted reasonable leave of absence to attend medical, dental, and other such appointments, although parents should aim to arrange these outside of school hours wherever possible. Where it cannot be avoided, students should attend school for as much of that day as possible.

9. Family holidays and extended leave

Taking holidays in term time will affect a student's schooling as much as any other absence. We expect parents and carers to assist us by not taking students on holiday during school time. To support parents with planning holidays, the school's term dates are published a year in advance and made available on the school's website. In exceptional circumstances, if a family holiday during term time is unavoidable, parents should e-mail the Headteacher at least 2 weeks prior to the holiday. The Headteacher will decide whether to authorise the absence. All requests for a holiday or extended leave will be responded to in writing and will outline the details of when the student is expected to return to school.

10. Exclusion

Exclusion is treated as an authorised absence. The Headteacher will arrange for appropriate work to be sent home.

11. Religious observance

The school recognises that there may be times where students of different faiths observe religious festivals that fall outside of school holidays and weekends and will allow authorised absence for these times. Parents will be aware of these dates and should give the school written notification via e-mail in advance (2 days' notice). A maximum of 3 days will be authorised in any one school year.

12. Long Term Absence

In the event of unavoidable prolonged absence for medical or other reasons, the school will take all reasonable measures to ensure that the disruption to the student's education is minimised as far as possible.

13. Lateness

The School Administrator and Headteacher regularly monitor and review lateness. There is a concern for punctuality when a student arrives late after 9.30am repeatedly.

To address punctuality the following steps will be taken:

Parents/carers will be contacted by the Headteacher to discuss concerns regarding punctuality, the reasons for lateness and any support the family/student may require to improve punctuality. A plan will be agreed, and review date set as part of the meeting.

The Headteacher will continue to monitor and review lateness, and effectiveness of the agreed plan. If punctuality remains a concern, the Headteacher will invite parents/carers to a formal meeting to discuss the student's attendance and punctuality and any other concerns that may arise as a result. The Headteacher will inform the governors and the relevant Local Authority of the concerns.
